

Earth Week Community Bike Ride

Mark your calendars!

From 4-6PM on Alternative Transportation Day, April 23rd, from the GLC Lawn, we will be riding selected routes around Blacksburg and Virginia Tech to showcase the diversity and size of the cycling community and promote cycling as a viable means of transportation!

When: April 23rd, 4-6PM

Why: showcase the strength of the cycling community and promote cycling as a viable means of transportation!

Where: Meeting at the GLC Lawn, which is across across from Squires and off of College Ave

Who: Everyone with a bike and a helmet!
All ages and experience levels welcome!

Build a movement
from the seat of your bicycle!

Details: The New River Valley Bicycle Association and SGA Transportation have teamed up to lead small groups, of about 15, on selected routes that travel many of the preferred commuter routes as indicated by the bicycle survey conducted by the NRVBA around Town and Campus. Small groups will leave the GLC at intervals beginning at 4:00 and continuing through 5:30.
